POLICY ON THE PRIVACY OF MEMBERS' PERSONAL DETAILS

- An Associate Member's full name and residential address must be entered into the Register of Members, which, by Law, may be inspected by other members.
- We will collect other information to allow the Association's Management Committee, and authorised staff, to contact members and associate members.

- We will not disclose any information that we gather about a member or associate member to any third party, unless the associate member has given the Secretary written consent to release that information.
- An associate member may withhold any of the 'Contact Details' and may add to, amend or delete any detail by giving written notice to the Secretary.
